

AN OASES COMMUNITY LEARNING ACTIVITY

at the Augustine Centre, Hawthorn, Melbourne

Watercolour Painting Demystified

Classes with Eleni Rivers

After learning the basics of Watercolour, learn to let go and be free with this fascinating medium. It is the unexpected things that happen that can give a painting "life"!

By using a variety of approaches such as relaxation, poetry and music, the participant is gently guided to get in touch with their creative spontaneity and to translate this onto paper. Unique things can and will happen!

These classes are for all levels! Classes are relaxed and informal yet aim to provide a basic knowledge of watercolour.
